Traditions Workshop

This has now been held over for the last three (3) meetings.

Discussion ensued as to whether this item should be either dropped from the agenda or explored further.

It was felt that Traditions workshops can be very important for members growth. As Dawne is currently very busy with other commitments, Shaz will follow up with Chris and David and see if they may be interested in hosting a session and what this would look like.

What Does the CV District Do?

Shaz is currently working on a document to give to the groups so that members can see what the CV District does and let them know of what service opportunities exist. Will have something together in the next month and send to all GSR's and Committee members for consideration and hopeful adoption at the next meeting.

Secretary's Report

As per norm at the Secretary's desk.

Correspondence of note:

- Communication between our new supplier for Hazelden literature, Harper Entertainment, to save us huge \$ in shipping costs.

- The national PI Patter – where we featured significantly and was very well received across Australia – more information in general business.
- Obtaining certificates of currency for groups
- 5 x 12 step emails – all responded to either by the CV District or passed to the relevant area.
- Communication between the Outer Eastern District – more information to follow in general business.
- Notification of the sad passing of Roger C.
- Notification regarding the addition of a new group and new meeting to the CV District, Malmsbury Saturdays.

Yours in Service,
Shaz
AA CV District Secretary

Phone Co-Ordinator Report

The District phone has been receiving calls as always and has resulted in more newcomers making it into the rooms.

YIS
Danny Phone Co-ordinator

Webmaster's Report

CV District Website has been updated to reflect changes and inclusion of the new Malmsbury meeting.

Traffic has been very slow and I am currently investigating if there is an issue or just due to everyone being well and not requiring AA at this time! March ended with 683 views, 681 for April and May is currently at 310.

The BBC Documentary has been removed as the link from YouTube was considered a copyright infringement so I am currently looking for a legitimate link to upload again as it was quite a popular item on our website.

Yours in Service,
Shaz
Webmaster

PI Co-Ordinator Report

PI has stalled a little in terms of new spaces for signs.

Drew made contact with the Bendigo Racecourse and this was then followed up with a phone call from the Administration lady to Shaz. They were putting our proposal to the racetrack board and will get back to us as to whether they accept and what size sign they would require if acceptance is granted.

It was also great to see at the recent SNLS Living Sober camp that a presentation was given before the Trivia Night festivities showcasing what our District does in PI land.

At this stage I would like to ask all members to scout for various locations for the large signs. We still have one large sign and the budget available for more and as they have been so well received thus far, it would be great to see more locations added.

Let the discussion ensue!

YIS
Jenny
PI Coordinator

- In terms of looking at QR codes, Shaz has investigated and thinks that it will detract from the message and be quite unsightly on our PI material.

Unity Co-Ordinator Report

The last District Unity event was held on 26 March. Fantastic day attended by around 40 members from all over the district and surrounds, very impressive to note that there was a member from every group in the District! And was also made very memorable by the attendance of our dear friend and member, the late Roger Carpenter, his last unity event before his sudden passing. Big shout out to Sheridan from Kangaroo Flat who really prompted the event all over many areas and vastly contributed to the number of members in attendance.

We have a been a little remiss in following up for the May unity event so that may have to fall by the wayside and start organising for the July event. SNLS have offered to host on a Saturday afternoon and provide catering for such event and hopefully organise some entertainment as well.

Great to see such momentum in the unity space.

Yours in Service,
Jenny
Unity Coordinator.

Literature Officer Report

Another great period for the literature store. This was in major part due to the literature sales at the SNLS Autumn Living Sober Camp. Sales for the weekend were \$1450.90.

We now have a new supplier for our Hazelden literature and there is a large order enroute from the US via ship to save us dramatically on shipping costs.

Stock at Hand : \$4,567.57
Outstanding Invoices : \$50.00
Cash Float : \$50.00
Cash at Bank : \$2,951.18
Total Asset Value : \$7,618.75

Rehab Reports

Bendigo Bridge Rehabilitation Facility

The Bridge program continues to operate really well with a lot of engagement from participants. Participation dropped for a few weeks but has now increased back to capacity for their program. Having AA go in to the facility has sparked the interest of AA recovery in a few participants and they now regular attend face to face meetings around the district, particularly Wednesday Day, when they are able.

Always looking for both older sober members and newer members who are working the program to come along and share their experience, strength and hope. Please see either myself or Shaz if you are interested in being part of this valuable part of service.

Impact Recovery

Impact Recovery is now back to nearly full capacity and is going really well. Due to our attendance at their facility and the participants enthusiasm in the program, Impact have decided to start taking all attendees to the Bendigo Beginners meeting on the alterative week to our attendance. This is a remarkable outcome and shows just how important it is to carry the message.

Always looking for members to come along and share every alternate Monday at 9.00am.

Group Reports

Monday Night Steps Bendigo

Monday Night Steps Group Monday night steps group continues to do well with 10-20 attendees a week.

We once again thank members from other groups who come along and share their wisdom and support our group.

We are self-supporting and regularly send surplus from our 7th tradition contributions through to CSO.

We usually change Chairperson after each round of the steps and if any OSM would like to chair a round of steps please let Drew know. (It is a 14-week commitment). The next round of steps begins on 4/4/2023

Saturday Night Living Sober

Hi All

The group has just wrapped up another fantastic camp, if I do say so myself.

Our camps grow from strength to strength. This has come about through great organising and a group of dedicated individuals who are delighted to carry the message in this way. The smile on members faces particularly toward the end of camp and particularly those members who newer around are so uplifting. After recovering from the trauma that comes from active alcoholism, we sharing and giving hope to new comers and even old comers. It is so rewarding to all who attend.

SNLS continues to run well providing sustenance through both thoughtful topic discussions and fellowship with food afterwards. Heading into winter our numbers have decreased slightly, to be expected. However, our attendance is still healthy at an average of around 20 people, there to give and receive strength and hope.

Sunday Night Kangaroo Flat

Meeting still running at 7.00pm Sundays.

With the sad loss of our dear friend Roger, we lost one of our group members.

We have now added a new member to our group and are averaging around 10-12 members per meeting.

Happily Yours in AA,

- **Outer Eastern District.**
Due to the information that we put in the national PI Patter newsletter, we received some very positive feedback from the Outer Eastern District who asked Shaz and Anthony to go along and show them what our District does. Whilst they were only supposed to be present for 20 minutes, there were so many questions that it ended up being more like 50! In light of the information provided at the meeting, the Outer Eastern District have 'cloned' all the images that the CV District has made and will use them as their own with the slight change from CV to OE. This even went so far as their new website, aoedistrict.org.au. Very positive news for the fellowship and carrying the message.
- **Sydney Group.**
As was the case with the OE District, a group from Sydney made contact and have asked to use our images for a campaign they are running on the sides of buses. Again, we handed over all of our images so that they don't have to reinvent the wheel. Another great show of unity within the fellowship.
- **Rosanna asked if we have Big Books in libraries.** Upon a quick check it looks like there is only one located in the Bendigo Library. Shaz will check with the library and see if they would like some more copies.
- **Welcome to the Malmsbury Saturday Group.** Ali from the group came along to the meeting and was welcomed by all. They have had their inaugural meeting and the meeting will take the shape of having a guest member share for a few minutes and then ask the other members to share. Eventually they hope to be able to be in a position to speak with the Malmsbury Juvenile facility and begin carrying the message in there too.
- **PI Packs for Malmsbury and Daylesford were requested.** Jenny will organise these ASAP.
